Education

Maulana Azad National Institute of Technology, Bhopal

B.Tech in Electronics and Communication Engineering

Dr. Virendra Swarup Education Centre, Kanpur

High School and Intermediate

CGPA: 8.94

2023 – Present

ISC (2023): 92.50%

ICSE (2021): 97.80%

Projects

Your Blog | Python, Django, HTML, CSS, SQLite

[GitHub](#) | [Live Link](#)

- Developed a full-stack blogging platform using **Django**, implementing robust **CRUD operations**, secure user authentication, and clean routing with SEO-friendly URLs.
- Structured backend using **Django Models, Forms**, and the **Admin Interface** to streamline database management and content workflows.
- Integrated features including **Read Later** bookmarking, interactive **Comment Section**, and dynamic post rendering for personalized content delivery.
- Handled media/static file storage and deployed the project using **PythonAnywhere** with production-ready configuration.

Quizzify | HTML, CSS, JavaScript, Open Trivia DB API

[GitHub](#) | [Live Link](#)

- Built an interactive quiz web app using **JavaScript** and **Open Trivia DB API** for real-time question loading, answer validation, and scoring.
- Applied modern **front-end architecture** principles to deliver clean, maintainable code using reusable components.
- Engineered **mobile-responsive design** with cross-browser compatibility using **HTML, CSS**, and media queries.
- Outlined upcoming features such as **leaderboards**, session tracking, and dynamic difficulty levels to enhance user retention.

Technical Skills

- **Languages:** C/C++, SQL, JavaScript, HTML/CSS, Python
- **Frameworks & Libraries:** Django, STL, Bootstrap
- **Web Technologies:** Django Templates, DOM Manipulation
- **Developer Tools:** Git, GitHub, VS Code, Jupyter Notebook
- **Databases:** SQLite, MySQL
- **Relevant Coursework:** Data Structures, Object-Oriented Programming (OOPs)
- **Soft Skills:** Team Collaboration, Leadership, Problem Solving, Analytical Thinking

Leadership Experience

Quizzers' Club MANIT – Quizzing Society of MANIT | Quizmaster Lead

May 2024 – Present

- Organized and conducted over **10 campus-wide quiz events**, managing logistics and team coordination for 500+ participants.
- Represented MANIT in national-level quiz competitions, consistently securing **Top 3 positions**.

Zenith – Programming Club of MANIT | Technical Member

April 2024 – Present

- Participated in weekly coding meetups focused on **Data Structures, Algorithms**, and **Dynamic Programming**.
- Collaborated with peers to solve competitive programming problems on platforms like **Codeforces** and **LeetCode**.

Achievements

- Ranked among the **Top 15 out of 1000+ participating teams nationally** in the **All India National Cybersecurity Hackathon** organized by the **Central Bank of India**, showcasing applied skills in **problem-solving, vulnerability analysis**, and **threat modeling**.
- Solved over **450+ coding problems** across platforms including **LeetCode**, **Codeforces**, and **GeeksforGeeks**, demonstrating consistent practice in **data structures** and **algorithms**.
- Solved over **300+ problems** on **LeetCode**, enhancing problem-solving speed, logic building, and coding fluency.
- Achieved a **Global Rank of 606** in **CodeChef Starters 163** among 14,000+ participants, reflecting strong competitive programming performance.
- Won **2nd Place (1st Runner-Up)** out of 50+ participants in an inter-college quiz competition hosted by the **Tourism of India**, showcasing general awareness and strategic thinking.
